

# **PETITION – Newstart is No Start**

To the Honourable Members of the House of Assembly in Parliament Assembled –

The Petition of the undersigned residents of Adelaide and greater South Australia.

## **Request**

Your petitioners therefore request that your Honourable House will;

- acknowledge the current level of Newstart is grossly inadequate and insufficient to provide a basis for job seekers to live whilst trying to find work, and;
- urge Federal Parliament to provide an immediate boost to the Newstart allowance and undertake a wide ranging review to ensure the social safety net can never again fall low enough to place people below the poverty line.
